

Reader Accessories

Reader cover style C1

Reader cover style C2

Overview

Schlage® offers a variety of accessories and replacement parts to ensure your readers are always performing well.

Reader Covers

Replacement reader covers can be used to replace faded or cracked covers and to change the color of your readers along with any updates to the facility's décor. We offer four color options — black, cream, cool tone gray and warm tone brown. Please note that the MTB Series is only available in Black (standard) and cream.

Cosmetic Backplate Covers

While replacing legacy readers with Schlage readers, the footprint of the legacy reader may be larger than that of the new reader. Cosmetic backplate covers accommodate this issue. Available in three sizes, our cosmetic backplate covers are designed to cover holes and unpainted areas that you do not wish to invest time and money to repair.

Quick-Connect Cable

The quick connect cable allows the installer to connect the necessary reader wires without the hassle of a reader case hanging off the other end. Simply connect the wiring harness and plug the reader in, it's that easy. Every reader already comes with a quick-connect cable, but you can order the cable separately if you need extras, or to convert wiring with an adapter from MT to MTB.

Other Accessories

Following repeated use, the magnetic stripe read head in a reader can wear down. We offer a replacement magnetic stripe read head for our Schlage multi-technology magnetic stripe readers.

Reader mounting backplates are designed as a quick mounting bracket for a simplified installation process. Every reader comes with a reader backplate, but you can also order these separately if you need replacements and extras.

Color Options

	Black (standard)		Cool tone gray
	Cream		Warm tone brown

Note: MTB Series covers only available in Black (standard) and Cream. C2 cover style only available in Black.
